

EXPLANATION OF PAYMENT AND INSURANCE FILING PROCEDURES

Our office is pleased to assist you in filing claims with your insurance company for reimbursement of your expenses. We will wait ninety (90) days for your insurance company to pay your claim. If they deny your claim and/or do not pay your claim for any reason, any remaining balance must be paid by you within thirty (30) days. We will not fight your insurance company for payment. We file insurance for you as a courtesy.

- It is the patient's responsibility to pay any deductible, co-insurance, and/or co-payments at the time services are rendered.
- Our office NEVER guarantees that your insurance will pay. We will make every attempt at the beginning of your health care to receive verification of your policy benefits. However, if for some reason your insurance claim is denied, you are responsible for the amount due on your account immediately.
- We recommend that you also contact your insurance company to verify coverage on your policy.
- We will not file insurance for patients that do not live in Texas. We will provide you with a receipt of all services rendered.
- If peakflow, oxygen saturation or specimen handling are recommended for your treatment in our office, please be aware that they may be applied to a deductible under your plan benefits.
- Our office will not file with a secondary insurance policy.
- There will be a \$25 fee on all returned checks. Checks will not be presented to the bank twice.
- You may receive a copy of your records at any time with a written request. There is a \$25 fee for all records received by our office. Allow 30-45 business days to be completed. Shot record copies are available with checkup. There will be a \$5 fee for subsequent requests of copies.
